Dear Dr. Peterson:

I am pleased to inform you that Apothecare of South Shore has been approved for accreditation as a "PCAB[®] compounding pharmacy" for non-sterile compounding. Your accreditation is effective as of April 10, 2014 and will continue through January 28, 2017 contingent upon ongoing compliance with PCAB[®] standards and payment of your annual accreditation fees.

PCAB[®] was created by the leading organizations in the pharmacy profession for the purpose of recognizing those compounding pharmacies that have demonstrated their outstanding commitment to quality. Currently, there are more than 190 PCAB[®] Accredited pharmacies nationally.

With your pharmacy's designation as a PCAB[®] compounding pharmacy, patients and practitioners can know that Apothecare of South Shore ranks among the best compounding pharmacies in the country for compliance with quality standards. This is visible evidence of your commitment to your patients and the pharmacy profession.

Please accept my congratulations on behalf of the pharmacy profession and the patients that you serve. Professional self-regulation is the most effective means in assuring integrity and quality.

Sincerely,

Cynthia Freberg
Director of Operations
